Rectangular Polypropylene Leaf & Gravel Guard

Product Description

A rectangular leaf and gravel guard designed to stop leaves, gravel and pests entering the top of through wall / corner outlets. They prevent blockages and assist in drainage of the roof.

Regular (at least once per year) maintenance of all drainage outlets on the roof / is recommended. Dirt, leaves and other build ups should be removed and the area around the outlet deck cleaned thoroughly.

Compatibility

They can be used with all through wall / corner outlets supplied by Wallbarn.

Range

One size fits wall / corner outlets up to inner width 110mm.

Performance

Resistant to deterioration by the sun, ozone and other agents or chemicals normally found in the atmosphere. They have excellent flexibility even at low temperatures. The mechanical properties are maintained in the long term.

Operating Temperatures

-20°C; +70°C

Recycled Product

No

Material

Polypropylene

Recyclable

Yes

Additional Information

UV resistance treatment
